Each sponsorship is \$500 (unless your design contains a business name and/or logo).\*\* This covers cost of each trolley, internal supports, sponsor/artist plaque, trolley stand, and other incidental costs including artists materials and a final clear coat to preserve the artwork. After spending four months on display throughout the town, trolleys will be auctioned off at the end of October with the proceeds going to the TOLHPS, a 501 (c) (3) tax exempt organization, and 25% going to the artist of the auctioned piece.

Payment is due in full at time of commitment unless other arrangements are made.

Please return this form with your payment to TOLHPS and mail to address above.

**\*\* If your trolley design contains a business name and/or logo, the sponsorship is \$700 as the trolley's value in an auction is often curtailed by its design specificity to a business. Also, you will have to contract with your artist as there will probably be little from auction proceeds to share.**
